

CONSULTANT AUDITOR APPLICATION PACKAGE

Application Process

1. Review eligibility requirements
2. Complete the Consultant Auditor Application and send with supporting documentation to cap@youracsa.ca
3. If approved, pay the exam fee, schedule and write exam
4. If successful, the applicant will be added to the ACSA list of approved Consultant Auditors

Current Consultant Auditors have 24 months from June 1, 2017 to meet the new standard (*including exam*) to be included on the ACSA's list of approved Consultant Auditors.

Eligibility Requirements

Training/Designations

Consultant Auditor applicants must have a combination of

- ACSA NCSO or HSA designation, and
- One of the following certifications
 - Canadian Registered Safety Professional (CRSP)
 - Certified Health and Safety Consultant (CHSC)
 - Certified Health and Safety Management System Auditor (CHSMSA)

Experience

Consultant Auditor applicants must have completed at least **three (3) approved** company-wide Certificate of Recognition (COR) Quality Assurance (QA) audits from an approved Alberta Certifying Partner. At least **one** of those audits must be completed using the **ACSA Audit Tool**.
