

Code of Ethics

*The National Construction Safety Officer (NCSO) /
The Health And Safety Administrator (HSA)*

The NCSO/HSA shall:

1. Practice sound judgment.
2. Recognize professional limitations and competencies.
3. Practice the highest standards of honesty and integrity.
4. Represent themselves, their qualifications, and their experience accurately.
5. Promote and uphold the distinction of the safety profession.
6. Avoid conflicts of interest.
7. Protect confidential information and share it only when legally obligated.
8. Respect dignity, diversity, human rights, and employment standards.
9. Continue professional growth and development.
10. Support the efforts of other safety practitioners.

I, PRINT FULL NAME have read, understand, and will comply with the ACSA NCSO/HSA *Code of Ethics* as written above. I realize that any breach of the *Code of Ethics* may result in a formal review and subsequent suspension or termination of my NCSO or HSA certification.
