

# SECOR Award Nomination form

## Description

The SECOR employer award for excellence in safety recognizes small businesses demonstrating commitment to promoting and maintaining a healthy and safe working environment. Aimed at companies with up to ten (10) employees, this award highlights the importance of a safety culture that protects workers and contributes to business success.

The SECOR employer award for excellence in safety celebrates SECOR businesses' achievements in maintaining high safety standards and encourages a culture of continuous improvement and innovation in workplace safety. It symbolizes small employers' dedication and hard work in creating a safer and healthier work environment for everyone.

## Objectives

- To recognize and celebrate small businesses that go above and beyond in implementing innovative and effective safety practices.
- To encourage improvement: Inspire all small businesses to strive for safety excellence and integrate health and safety into their core work practices.
- To share knowledge: Facilitate the exchange of successful safety strategies and practices among small businesses, fostering a community of learning and improvement.

## Eligibility

- This award is open to small employers who are members of the ACSA.
- Must have ten (10) or fewer employees.
- Must have operated in Alberta during the previous year.
- Must be SECOR certified with ACSA.
- Have maintained an active SECOR with ACSA for one full cycle.
