

# Small Employer Award Nomination form

## Description

The Small employer award for excellence in safety recognizes small businesses that demonstrate inspirational commitment to promoting and maintaining a healthy and safe working environment. Aimed at companies with up to 19 employees, this award highlights the importance of a safety culture that protects workers and contributes to business success.

The Small employer award for excellence in safety celebrates small businesses' achievements in maintaining high safety standards and encourages a culture of continuous improvement and innovation in workplace safety. It symbolizes small employers' dedication and hard work in creating a safer and healthier work environment for everyone.

## Objectives

- To recognize and celebrate small businesses that go above and beyond in implementing innovative and effective safety practices.
- To encourage improvement: Inspire all small businesses to strive for safety excellence and integrate health and safety into their core work practices.
- To share knowledge: Facilitate the exchange of successful safety strategies and practices among small businesses, fostering a community of learning and improvement.

## Eligibility

- This award is open to small employers who are members of the ACSA.
- Must have 19 or fewer employees.
- Must have operated in Alberta during the previous year.
- Must be COR or SECOR certified with ACSA.
