

## Communication and Ethics for the Safety Leader

### Classroom Course

This two-day course is designed to provide participants with a foundation for effective communication as well as skills to navigate various ethical situations they may encounter as Safety Leaders in the field.

### Course topics

- Conveying safety messages
- Motivation and perception
- Conflict management strategies
- NCSO code of ethics
- Decision making strategies

### Certification

This course has a written test and skills check component. Participants must achieve a minimum score of 80% on a closed-book written test and complete four skill checks for course certification.

### Prerequisites

None required at this time.
