

COR Employer Award Nomination form

Description

The COR employer award for excellence in safety recognizes businesses that demonstrate commitment to promoting and maintaining a healthy and safe working environment. Aimed at companies with 20 or more employees, this award highlights the importance of a safety culture that protects workers and contributes to business success.

The COR employer award for excellence in safety celebrates COR businesses' achievements in maintaining high safety standards and encourages a culture of continuous improvement and innovation in workplace safety. It symbolizes employers' dedication and hard work in creating a safer and healthier work environment for everyone.

Objectives

- To recognize and celebrate large businesses that go above and beyond in implementing innovative and effective safety practices.
- To encourage improvement: Inspire to strive for safety excellence and integrate health and safety into their core work practices.
- To share knowledge: Facilitate the exchange of successful safety strategies and practices among small businesses, fostering a community of learning and improvement.

Eligibility

- This award is open to all ACSA COR employers who are members of the ACSA.
- Must have operated in Alberta during the previous year.
- Must be COR certified with ACSA.
- Have maintained an active COR with ACSA for one full cycle.
