## Trade Show Exhibitor Booking Form 2018 ACSA Conference

(formerly the NCSO Professional Development Conference)

March 8 & 9, 2018 | Calgary Telus Convention Centre

**Your business will have the unique opportunity to showcase its services and products across two days to a targeted group of about 400 decision-makers, safety leaders, and workers in Alberta's construction industry.**

The ACSA Conference (formerly known as the NCSO Professional Development Conference) has been the premier annual event for all National Construction Safety Officer's (NCSO) and Health & Safety Administrator's (HSA) in Alberta. Our new direction will open the conference to those company owners and senior managers who you want to reach for their decision making authority.

Hosted by the Alberta Construction Safety Association (ACSA), this event provides a unique networking opportunity for about 400 delegates across two big days, and also provides a valuable chance for safety leaders to learn how to build on their important role of upholding the values and practices of safety in the construction industry.

2018 will mark the 30th anniversary of the Association's founding, making this an event not to miss.

### Benefits for You

For just \$500 (excluding tax) your organization will receive great value and benefit from this small investment. The table-top trade show will be set-up in the main lobby area of the conference, where delegates will gather for breakfast, lunch, and coffee breaks during both days of the event.

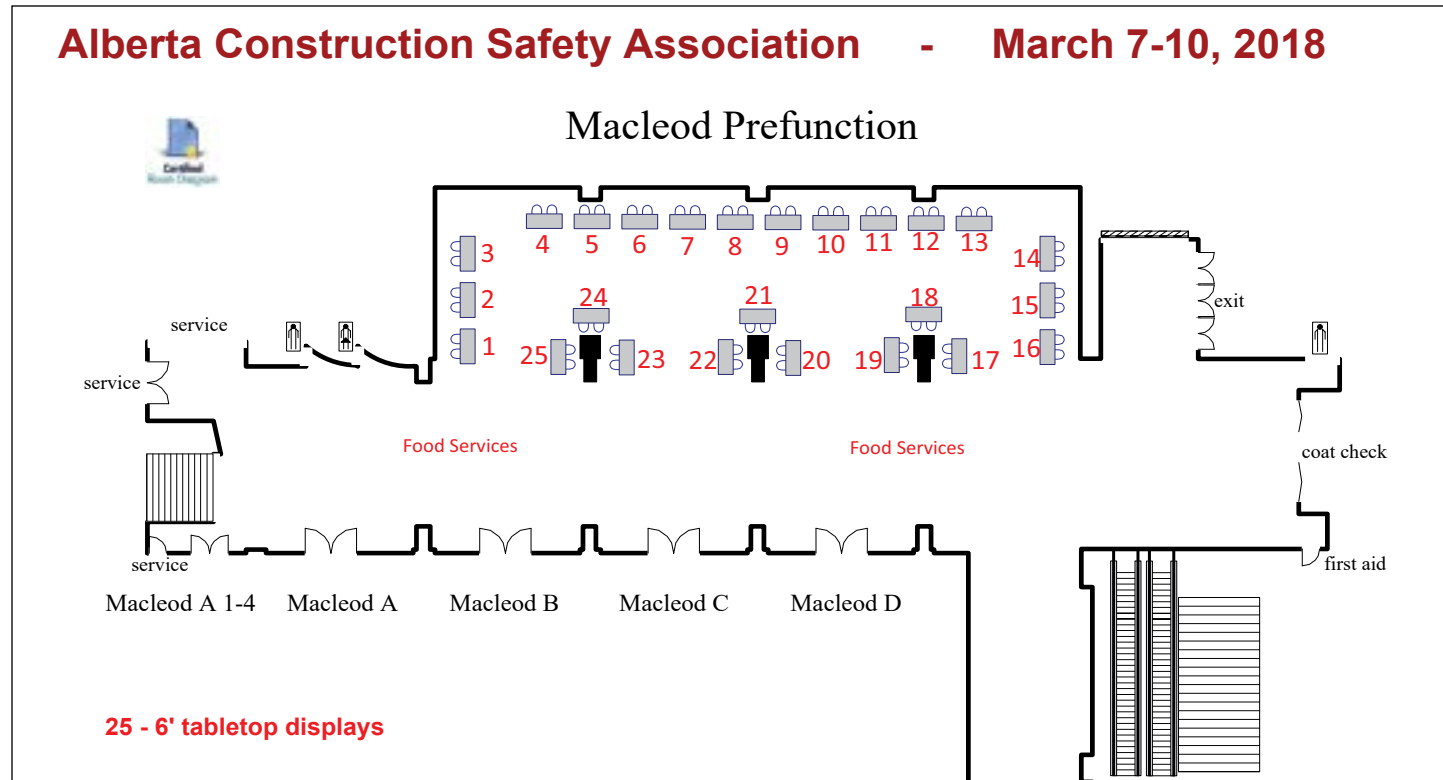

This high-traffic hub of excitement and activity is the perfect environment for your company to raise its profile and brand awareness by connecting directly with this target audience.

We have 25 strategically placed table-top trade show places available. Each place comes with:

- 6' table with tablecloth (due to space constraints, no custom booths are allowed)
- 1 chair
- Power outlet and extension cord
- Wireless internet available at the venue (\$18 per connected device per day)

Each exhibiting company will also receive two (2) complimentary registrations to the conference including all meals. Your company logo and name will also feature in the conference program and on the ACSA website, with a link to your corporate website.
